

# GENUINE SPARE PARTS KITS

For MST - Semi Automatic Strapping Machines

## Features

- Make preventive maintenance easy
- Investing in quality ensures savings. That is why an investment in Signode spare parts is an excellent return on your investment
- With Signode's genuine spare parts, you get exactly what you want. Our spare parts are precisely engineered and manufactured to endure the specific application for which they were designed under actual operating conditions to ensure the perfect fit and optimal performance
- For your convenience, Signode has developed Service Kits that contain all the spare parts required for routine maintenance of MST and detailed instructions for parts replacements. All spare parts are backed by Signode's quality assurance

# GENUINE SPARE PARTS KITS

For MST - Semi Automatic Strapping Machines

The IS Kit contains all spares/wear parts that should be replaced after the first 50,000 cycles

The MST Kit contains all spares/wear parts that should be replaced after every 1,00,000 cycles

## INTERMEDIATE SERVICE KIT FOR MST MACHINE (IS KIT - MST)

S. No.	Description	Part No.	Quantity
1	Brake rubber	5P300025	1
